The SRI VSSC Govt. Degree College Conducted a **“Library Science Profession and Opportunities Awareness Programme”** in the college Digital room - 2 on 18<sup>th</sup> December, 2017 from 11.30 am . The programme was Inaugurated by our Honourable Principal Dr.Muniswamy Mani. The chief guest of this programme Sri P.Vijay Mahesh Kumar emphasized on the importance of the “Library Science” profession opportunities and challenges to the audience. The libraries are predominately providing the quality of the information to the user community to serve only by the library professionals only. In the library thousands of book collections are available but the librarian is telling the book status and which shelve the book is available and which year published the edition each and every book information is well known only by the librarian. That type of knowledge and spirit of the service orientation profession only by the library science. explain the importance of the library science course for the newcomers. In a global knowledge society without any information the man is not doing anything. Just like the train/flight/commodities/market rates each and everything depends on the information only. His speech was inspiring and valuable for the current generation of the students.

On this occasion the college Principal Dr.Muniswamy Mani addressed the audience to explain the importance that without information the man cannot be sustainable in the global society. Knowledge is the weapon of the course.

After the Principal speech, the IQAC Coordinator of Dr.K.Siva Prasad, Lecture in Zoology delivered in his speech the importance of the library profession and challenges and dynamic role in the knowledge society.

The college librarian explained the importance of the course and how to reach in the career explained to the audience. The College Librarian and his team well organized to conduct the programme made a grand success.

### **Outcome of the programme:**

The students and staff members were getting more awareness of the library science course. The Central Universities and State universities are offered this course.
