1. AP2024SWIA 0590480, SGT V. Honey Grace, Physics Honors
2. AP23SWA 408049, JUO T. Shalini, Computer Honors

Staff Achievements

I am pleased to share that I have successfully completed the NPTEL course on "Deep Learning" offered by IIT Ropar during the Jan-Apr 2025 session. This 12-week program covered key concepts such as neural networks, backpropagation, and deep learning architectures like CNNs and RNNs. With a final score of 65 out of 100, this course has strengthened my understanding of AI tools, which I hope to integrate into future interdisciplinary research and teaching.

— D. Nagabhushan, Lecturer in computer Science

I am delighted to share some of my recent accomplishments that have enriched my academic and research journey:

1. NPTEL Certifications

Successfully completed the 12-week course on "Advanced Thermodynamics and Molecular Simulations" (Jan-Apr 2025), securing a score of 62 out of 100. This course deepened my knowledge of classical and statistical thermodynamics along with modern molecular simulation techniques.

2. Reviewer Contribution

I had the privilege of reviewing a manuscript for Scientific Reports, a reputed Springer Nature journal, in July 2025, which allowed me to contribute to the peer-review process and stay updated on emerging research trends.

These milestones have strengthened my academic profile, and I look forward to utilizing this knowledge and experience to inspire students and advance research initiatives at our college.

Staff Achievements

The Principal unveiled a book titled " Studies on Morpho, Physio and Biochemical changes in Mulberry due to Root knot Disease" on 30.6.2025, written by Dr. P Victoria Rani, lecture in Botany. It is very useful to all biology students and scholars.

Student Achievements

T. Hemanth kumar is represented for VSU SOUTH ZONE Inter University Volleyball Team participation for,2023-2024, 2024-2025. Two years.

T. Hemanth kumar III BSC (Botany) Received VSU Sports merit scholarship cash award for 3000/rs .

Retirement function

The retirement function of Sri CH. Subrahmanya Sastry Head of the Department of Chemistry is organised by staff club in the digital class room -I at 2.30 PM on 30.06.2025. The principal of the college Dr.S.L.B Sankara Sarma chaired the function and has given regarding the services rendered by the outgoing lecturer. Vice Principal Dr. P.Victoria rani HOD of botany and some of his colleagues have shared their experience with the staff members. Some of his friends and family members also participated in the function and their views with Sri CH. Subrahmanya Sastry.

After the speeches are completed the staff member is facilitated by principal, Teaching and Non-Teaching staff friends and family members. Finally the meeting is concluded by speech of the outgoing staff member and National Anthem.
